2022 Community Volunteer Day

Current Committees:

We welcome your spirit of collaboration and community involvement! The goal of our neighborhood committees is to improve safety, transparency, and fiscal responsibility in The Woodlands community. If you are interested in joining one of these active committees, please submit an HOA request on our website. We also welcome any help finding funding for our many projects!

1. Finance Committee
2. Buildings Committee
3. Grounds Committee
4. Outreach Committee

Correct Procedures: HOA Requests

1. *All HOA requests and communication* must go through the HOA request page on the website.
2. Including: maintenance, financial, documents, etc.
3. Requests can be submitted on a computer or phone.
4. Call Jamar Property Management if you need help.

Dispute Resolution Process: *Individuals may ask the board for a meeting if you feel that your request has not been resolved. Please do this **before** moving to legal action, as legal action costs all homeowners money and puts our insurance at risk.*

Woodland Happenings:

Q2/Spring at The Woodlands included a neighborhood wide garage sale and a push from the HOA Board to move more of our reserve funds into interest bearing accounts to better save for large repair costs and reduce spending costs.

Q3/Summer at The Woodlands anticipates an open board meeting with update to the Rules & Regulations of the neighborhood. Please attend to provide your feedback as a Homeowner!
