 - Frequency:** Open board meetings 2nd Thursday of the month from 7-8:30pm (no December meeting)
 - Zoom meeting ID: 9202020239 no password
 - Purpose: Open board meeting purpose:**
 - Professionals & board reports information to homeowners (provides education when time allows)
 - Discussion and information sharing between homeowners to facilitate collective decision making and community building
 - HOA Board publicly votes on non-confidential, non-urgent new items of business.
 - Comment Period:** Please hold all general homeowner comments for the “homeowner comment” period at the end of the meeting (last 15-30 minutes, as time allows). Topic specific feedback will be solicited on items before voting. We welcome homeowner comments, as it provides valuable feedback for the board’s decision-making process to help the community.
 - Conduct agreement:**
 - No disparaging/derogatory written or spoken comments allowed. As a community, we will work to remind one another to refrain from personal or social identity attacks and focus instead on solution building
 - Once a discussion or decision is over, we consider that discussion/decision dead and will not dedicate monthly meeting time to rehash it. We may talk about past discussions or decisions as they relate to future HOA actions or decisions to be made. Our focus is on moving HOA business forward.
 - Disagreements are necessary and important. All disagreements should be voiced in a respectful and constructive manner. Assume goodwill of your fellow neighbors and HOA partners.
 - Conduct violations:**
 - 1st violation = warning

- 2nd violation = lose speaking privileges during homeowner comment periods (possible removal for meeting disruption)
- **Technology:** Chat bar purpose: for technical issues, discussion time (same procedure as above)

We may deviate from this schedule based on the needs of items and time.

2. Land Acknowledgement & Grounding Exercise (7:04-7:05pm) ~Shahana

Introduce

- As we work to build and repair our community, we must honestly and humbly confront the uncomfortable events in our past that have led us to where we are now.
- To do this, it is important to start from the beginning and know our origin stories. The uncomfortable truth is that we are inhabiting (and benefitting from) land that was illegally and violently taken from the indigenous peoples who cared lovingly for it. Much of the economic progress in our community since that time is a direct result of forced servitude and unpaid labor of people of color, a majority of whom were enslaved African peoples.
- We recognize tribes like the Miami, Delaware, Potawatomi, and Shawnee as past, present, and future caretakers of this land, and we recognize the need for inclusive organizational and interpersonal practices to begin addressing the horrific history on which our economic stability was borne.
- If we fail to recognize the immoral and violent foundation on which our community was built, we can never claim full honesty and transparency. We commit to the difficult work necessary to create and promote a more equitable and just neighborhood culture.

3. Diversity Items (7:05-7:06) ~ Li

Diversity Commitment

- The HOA board is committed to diversity, equity and inclusion
- Racial, homophobic, gender or any discrimination words or actions will not be tolerated
- If anyone ever experiences being a victim of a slur being towards them, they may file a homeowner request immediately
- Value the racial, gender, age, and other types of diversity in this board and community.
- The HOA board commits to ensuring accommodations are updated regularly for older residents and residents with different abilities
- Current ADA accommodations: closed captions turned on in Zoom meetings, microphones checked before Zoom meetings, ADA path to pond area deck being reviewed

Hate speech

- Strive to adopt a good will approach
- Zero tolerance policy for use of derogatory slurs
- Victims of hate speech may report incidents (include documentation if possible) so they may be formally documented by the board
- Value inclusivity and consider addressing the use of hate speech in the neighborhood an important issue

4. Financial Manager's Report ~ Laurie Miller, Financial Manager ~ Laurie (7:06-7:11)

- Current report on financials that are sent out to homeowners and put up on the Homeowner Google Drive (this includes invoices, contracts and all other financial documents sent to homeowners)

 - November open board meeting: Frank from First Insurance Group

- Open Board Meeting minutes: from last month **Action:** motion passed 3 yes, 0 no, 0 abstained

8. Report Board decisions made since the last monthly meeting (7:17-7:19pm) ~Shahana

Discretionary Monthly Approval (DMA) ~ Property manager has \$1,000 per month per their contract. Please note:

- Board AWM:
 - Bat remediation \$2,769.00
- Executive meeting decisions:
 - Liens/Foreclosures/payment plans signed by homeowners
 - Broad HOA values and structure
 - Approved Financial Committee recommendation to move \$100k from reserve account 3808 into CD with German American
- Property Manager DMA:
 - See property manager report

Notes:

Time limitations: the HOA board is responding to homeowner requests to have more speakers at our meetings and more homeowner comment period time. This leaves us with less time to review contracts and The Woodlands has a large amount of external and common area maintenance work that must be contracted to meet the board's obligation to repair and maintain these areas. Please note that we review as many contracts as we can at open board meetings, but sometimes time limitations and confidential legal items limit this process.

"Action without a Meeting" (AWM) is business that is voted on by the board via the board email, which is standard practice for the board between meetings. Voting by email must be a unanimous vote by the entire board for the vote to pass. This is a standard and proper procedure and necessary for the large amount of maintenance that is required from a property as robust as The Woodlands.

<https://monroein.elevatemaps.io/>
 - Cases that are private and can't be shared with homeowners: Bloomington Human Rights Commission, Indiana Civil Rights Commission and Protective Order Cases.

 - Please consider meeting with the board and then mediation before filing cases like these, as legal costs are shared by all homeowners. The board is hopeful that the neighborhood is moving in this positive direction, as we began having dispute and mediation meetings with homeowners, as well as more active participation from more neighbors in working to solve neighborhood issues. These are good steps forward for our community and shoutout to everyone giving their efforts.

Dispute Process & HOA Request System (*Homeowners vs HOA Disputes*)

1. All **HOA requests** and communication **must** go through the HOA request page on the website: <https://www.woodlandshoa.net/hoa-requests/>
 2. Including: maintenance, financial, documents, complaints, general questions etc.
 3. Requests can be submitted on a computer or phone.
 4. Call Jamar Property Management if you need help or would like for them to submit for you.
- Dispute Process:**
 - 1.** HOA request submitted on the website; homeowner unsatisfied with response.
 - 2.** A homeowner may ask the board for a zoom meeting if you feel that your request has not been resolved (use the HOA request portal on the website). Please do this **before** moving to legal action, as legal action costs all homeowners money and puts our insurance at risk. The meeting will be with one homeowner only and all board members must be invited.

- 3. *If after a homeowner's zoom meeting with the board they feel their issue hasn't been resolved, a homeowner may ask for a mediated zoom meeting with the board through non-profit organization CJAM (homeowner must initiate).*
- *We must change the culture in our neighborhood to use an internal Dispute Process to save on legal costs, as this helps us avoid using legal methods for disputes. Legal action puts our whole neighborhood at risk and could potentially severely impact our homeowner fees and property values.*
- *If you are a homeowner in current litigation with the board, we CANNOT meet with you until your legal matter is resolved.*

Please read standard items below to familiarize yourself with the correct procedures happening at The Woodlands.

Standard Items:

- **Top priorities for 2024 board:** Modified Bioretention Area, neighborhood drainage project, foundation drains, more items transitioned to professionals to avoid board member burn out.
- Reminder of large issue that many HOA's face: People abusing discrimination protection agencies by filing false disability discrimination claims over small board items (i.e., getting free legal help from these organizations) and the HOA's legal must then fight these baseless claims. If you don't have a legitimate discrimination claim, please refrain from litigation and instead, request a meeting with the board. *Litigation costs all homeowners.*
- Fall 2024 next board member election cycle. Homeowners in good standing (up to date with HOA fees) may run for the board. Elections info and voting ballots are mailed by our property manager (Jamar) with easy voting procedures for all homeowners: Homeowner ballots can be mailed, emailed, or delivered in person to the property management office. (No election voting will take place on Zoom meetings) Next election cycle: Fall 2024. Three board seats will be open for 3-year terms ~ (Li/Cathy/Jeanette). We seek strong and creative leadership for these elections to help move us toward more sustainable, efficient, and productive procedures.

 - Data: Gutter issues still being working on (A problem for the last 5+ years at least)
 - Steve's roofing put on large gutters with hang-over style gutter guards 10-15 years ago (estimate ~ no data exists)
 - Steve's roofing was asked to come back multiple times when the gutters weren't working and wasn't very responsive (2022)
 - Inspector identified that the hang-over gutter guards were the right kind for the steep pitch of the roof and water was just pouring over them directly at the buildings and animal nests were forming in the gutters
 - Hang-over style gutter guards extremely difficult to clean, because they would have to be removed each time, in order to clean the gutters
 - Hang-over style gutter guards removed and disposed of, for twice a year gutter cleaning
 - April 2024 Jamar maintenance determined that the gutters on the highest point of the buildings was installed incorrectly (sitting two feet away from the building)
 - Reason for Action: Keeping water away from the buildings
 - Professional Advising provided: Currently Jamar is trying to get Steve's roofing to come out and meet with them so that Jamar's maintenance can show them that they installed the gutters incorrectly and ask them to move the gutters closer to the building or put on correct gutters

- New Business: Bat issue
 - Data: Bat prevention on the exterior is needed to prevent bat infestations on the buildings
 - Current bat infestation (with bat bugs) on the roof of building 13: HOA taking care of external building item (all homeowners in that building responsible for the cost to do their attics)
 - When this bat infestation is cleaned out, they will just move on to another building if proper prevention measures aren't conducted
 - Rough estimates of prevention (\$20,000 ~ still pending & taken out of operational budget by finance committee in 2023)
 - Bat boxes installed around the neighborhood not enough
 - Screens need to be put up at the chimney caps and ends of buildings (over soffits) to keep the bats from finding homes on the outsides of the buildings
