□ **Purpose: Open board meeting purpose:**

□ *Discussion and information sharing between homeowners to facilitate collective decision making and community building*

□ *HOA Board publicly votes on non-confidential, non-urgent new items of business.*

□ **Comment Period:** *Please hold all general homeowner comments for the “homeowner comment” period at the end of the meeting (last 15-30 minutes, as time allows). Topic specific feedback will be solicited on items before voting. We welcome homeowner comments, as it provides valuable feedback for the board’s decision-making process to help the community.*

□ **Conduct agreement:**

□ *No disparaging/derogatory written or spoken comments allowed. As a community, we will work to remind one another to refrain from personal or social identity attacks and focus instead on solution building*

□ *Once a discussion or decision is over, we consider that discussion/decision dead and will not dedicate monthly meeting time to rehash it. We may talk about past discussions or decisions as they relate*

to future HOA actions or decisions to be made. Our focus is on moving HOA business forward.

☐ Disagreements are necessary and important. All disagreements should be voiced in a respectful and constructive manner. Assume goodwill of your fellow neighbors and HOA partners.

*☐ **Conduct violations:***

☐ 1st violation = warning

☐ 2nd violation = lose speaking privileges during homeowner comment periods (possible removal for meeting disruption)

*☐ **Technology:** Chat bar purpose: for technical issues, discussion time (same procedure as above)*

*☐ **We will do our best to have 30 minutes of reports/guest speakers, 30 minutes of new board business, and 30 minutes of homeowner comments (as time permits).** We may deviate from this schedule based on the needs of items and time.*

● **Land Acknowledgement & Grounding Exercise ~Li**

- We recognize that our neighborhood and all of Bloomington sit on Native land – on the traditional homelands of the Miami, Delaware, Potawatomi, and Shawnee people and we acknowledge they are past, present, and future caretakers of this land.
- We also acknowledge that much of the economic progress and development in Indiana and specifically Bloomington resulted from the unpaid labor and forced servitude of People of Color - specifically enslaved African labor.
- We acknowledge that this land remains home to and a site of gathering and healing for many indigenous and other people of color and commit to the work necessary to create and promote a more equitable and just neighborhood and Bloomington.
- We move forward knowing and acknowledging our rich, complicated, and sometimes painful past so that we can learn from it and create a true land of opportunity.

● **Diversity Items ~ Li**
Diversity Commitment

- ☐ The HOA board is committed to diversity, equity and inclusion
- ☐ Racial, homophobic, gender or any discrimination words or actions will not be tolerated
- ☐ If anyone ever experiences being a victim of a slur being towards them, they may file a homeowner request immediately
- ☐ Value the racial, gender, age, and other types of diversity in this board and community.
- ☐ The HOA board commits to ensuring accommodations are updated regularly for older residents and residents with different abilities
- ☐ Current ADA accommodations: closed captions turned on in Zoom meetings, microphones checked before Zoom meetings, ADA path to pond area deck being reviewed

Hate speech

- Strive to adopt a good will approach
- Zero tolerance policy for use of derogatory slurs
- Victims of hate speech may report incidents (include documentation if possible) so they may be formally documented by the board
- Value inclusivity and consider addressing the use of hate speech in the neighborhood an important issue

- **Approval of Minutes Kris**

- Open Board Meeting minutes from last month **Action:**

- **Guest Speaker**

- *None this month*
 - *November open board meeting: Frank from First Insurance Group (assuming insurance is renewed)*

- **Report Board decisions made since the last monthly meeting**

Discretionary Monthly Approval (DMA) ~ Property manager has \$1,500 per month per their contract. Please note:

- Board AWM:
 - *None this month.*
- Executive meeting decisions:
 - *discussing changes in meeting schedule for Board/Admin*
 - Liens/Foreclosures/payment plans signed by homeowners
 - Broad HOA values and structure
- Property Manager DMA:
 - See property manager report

Notes:

Time limitations: the HOA board is responding to homeowner requests to have more speakers at our meetings and more homeowner comment period time. This leaves us with less time to review contracts and The Woodlands has a large amount of external and common area maintenance work that must be contracted to meet the board's obligation to repair and maintain these areas. Please note that we review as many contracts as we can at open board meetings, but sometimes time limitations and confidential legal items limit this process.

“Action without a Meeting” (AWM) is business that is voted on by the board via the board email, which is standard practice for the board between meetings. Voting by email must be a unanimous vote by the entire board for the vote to pass. This is a standard and proper procedure and necessary for the large amount of maintenance that is required from a property as robust as The Woodlands.

- Next town hall meeting: TBD 2025 7-8pm on zoom (meeting ID 9202320239)

● **New Business**

Note: Board members are volunteers who were voted in by the homeowners and/or other board members. We listen to professional advice, consider homeowner input, and ultimately make the decision that we think will be best for the entire neighborhood.

- **New Business: Bat issue**
 - Data: Bat prevention on the exterior is needed to prevent bat infestations on the buildings
 - Current bat infestation (with possible bat bugs): HOA taking care of external building item (all homeowners in that building responsible for the cost to do their attics)
 - Rough estimates of prevention \$2500-\$3000 per building.
 - Screens need to be put up on the chimney caps and ends of buildings (over soffits) to keep the bats from finding homes on the outsides of the buildings
 - **Discussion: Board approved remediation on 2 buildings and is waiting for bid on**

additional buildings.

Action:

- New Business: **Deck repair, power washing, staining**
 - Data: Decks last inspected & cleaned in 2017
 - Reason for Action: Needed for preservation of the decks
 - Professional Advising provided:
 - Cost/Benefit Analysis (budget):
 - Discussion: Motion:
 - Next steps: Next steps: Jamar will start having decks inspected for necessary repairs in late Sept or early Oct and give a report with expected costs.

Action: Motion:

- New Business: **Removal of Woodchip Trails per City of Bloomington Request**
 - Data: City Ordinance does not allow wood chips as ground cover outside of limited planting areas
 - Reason for Action: during inspection of basin they requested removal
 - Action: Best/least expensive way to proceed. It may be possible for us to ask for a variance to keep the trails. Need homeowner input.
- New Business: **Dog Cleanup Costs**
 - Data: Costs for 2023 = \$1715.00. Through July 2024 costs are \$2777.50 Has our dog population gone up by that much? Do we need to look at different options?
- New Business: **2025 Budget Approval**
 - Data: Contrary to various requests, we CANNOT do a Special Assessment just to cover operating expenses. Due to gutter & gutter guard work + bat issues, we've spent over \$70K this year that was not in the budget for 2024. We have to make that up as well as make sure we aren't caught with no money for unexpected items in 2025 and beyond. Board actively working on options to lower costs.
 - Discussion:

Action: Motion:

- **Homeowner Comments.** *As time permits (15-30 minutes at the end of meeting)*
 - Logistics: Homeowner comments are for questions and feedback to the board only
 - No derogatory language in general or disparaging comments of board members or property manager/contractors (considered meeting disruption)
 - 1st rule violation results in a warning, 2nd violation results in loss of speaking privileges during homeowner comments.
 - Board feedback will be given after each round of homeowner comments ~ no time limit, i.e., following procedures of city council meeting and response to multiple homeowners warrants it.

- *Civil behavior must be conducted at all times. Attendees will receive a first warning, then will be muted for the remainder of the meeting.*
- Please save specific questions about items (i.e. detailed invoice questions) or data for a homeowner request. All board members have access to this data but can't be expected to know it off the tops of their heads.

- **Announcement of Next Meeting**

- Next open board meeting November 14, 7-8:30pm on zoom

STANDARD GENERAL INFO ITEMS NOT DISCUSSED AT BOARD MEETINGS

Homeowner Request Process

- All homeowner requests and communication must go through the HOA request page on the website.
- Homeowner Request link: <https://www.woodlandshoa.net/hoa-requests/>
- Including: maintenance, financial, documents, etc. (all requests MUST go through this system)
- Requests can be submitted on a computer or phone.
- Call Jamar Property Management if you need help.
- We have a documented spreadsheet that we will have forever, and we are constantly aiming to fairly respond to the enormous number of requests that we receive, with the help of our admin assistant and property manager.
- Requests are responded to in order of urgency/severity. For items not taken care of by professionals, it may take the administrative assistant (with board member guidance) anywhere from weeks to months to respond accurately, which is still a reasonable amount of time (after the professionals like our property manager and appropriate contractors have already responded to the issue).
- If you are a homeowner in current litigation with the board, we CANNOT meet with you until that legal matter is officially resolved.

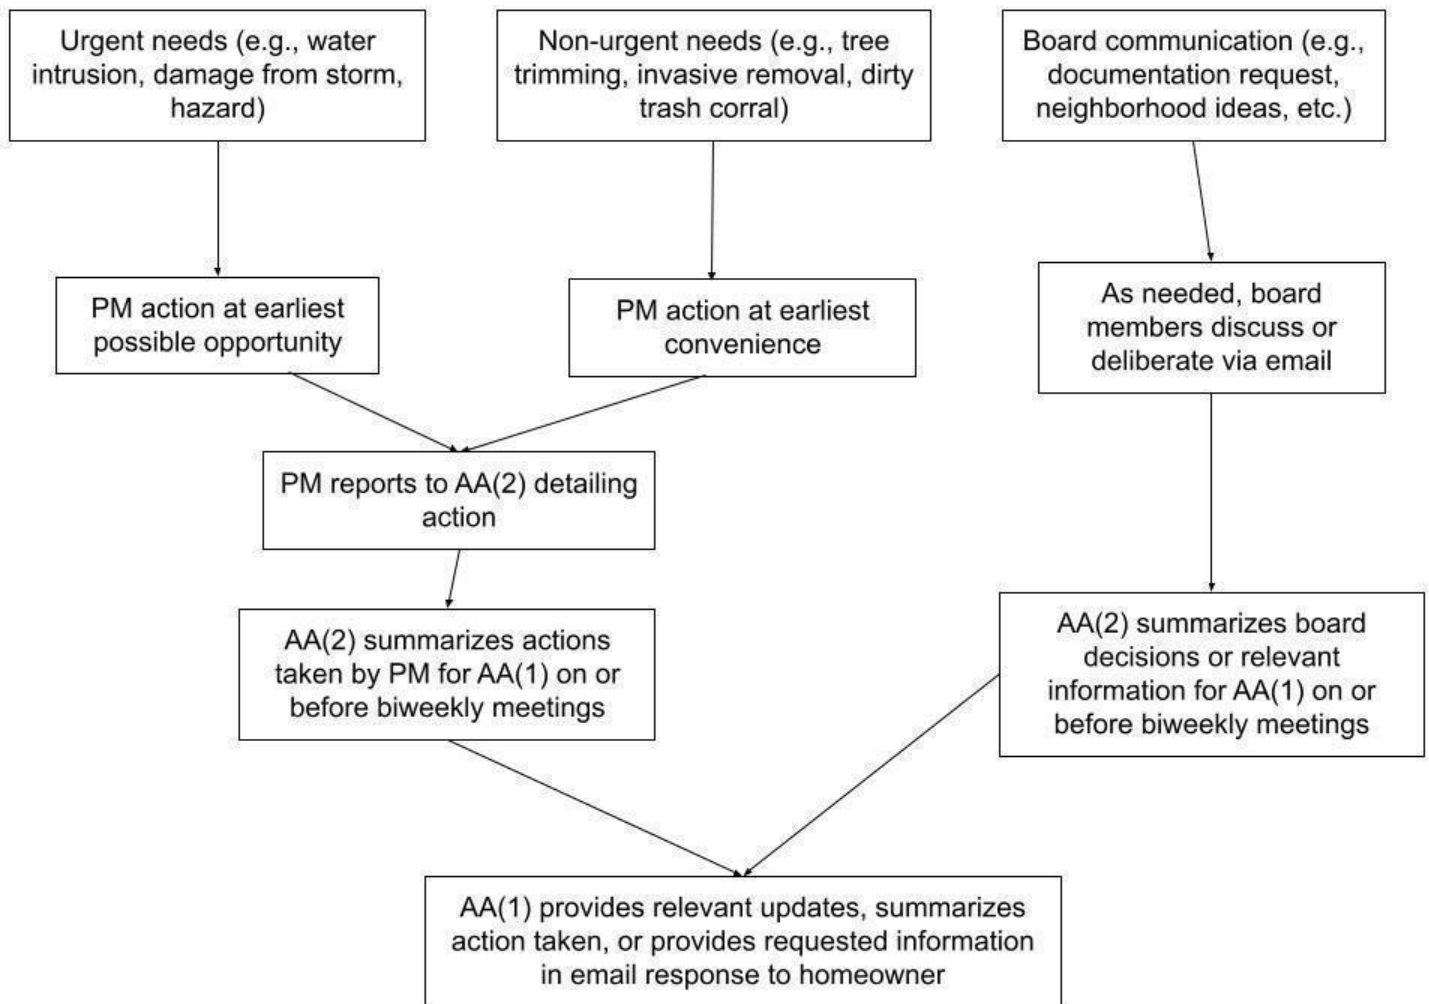

Dispute Process & HOA Request System (Homeowners vs HOA Disputes)

1. All **HOA requests** and communication **must** go through the HOA request page on the website: <https://www.woodlandshoa.net/hoa-requests/>
2. Including: maintenance, financial, documents, complaints, general questions etc.
3. Requests can be submitted on a computer or phone.
4. Call Jamar Property Management if you need help or would like for them to submit for you.

□ **Dispute Process:**

- 1. HOA request submitted on the website; homeowner unsatisfied with response.
- 2. A homeowner may ask the board for a zoom meeting if you feel that your request has not been resolved (use the HOA request portal on the website). Please do this **before** moving to legal action, as legal action costs all homeowners money and puts our insurance at risk. The meeting will be with one homeowner only and all board members must be invited.

- **3.** *If after a homeowner’s zoom meeting with the board they feel their issue hasn’t been resolved, a homeowner may ask for a mediated zoom meeting with the board through non-profit organization CJAM (homeowner must initiate).*
- *We must change the culture in our neighborhood to use an internal Dispute Process to save on legal costs, as this helps us avoid using legal methods for disputes. Legal action puts our whole neighborhood at risk and could potentially severely impact our homeowner fees and property values.*
- *If you are a homeowner in current litigation with the board, we CANNOT meet with you until your legal matter is resolved.*

Standard Items:

- **Top priorities for 2024 board:**
- Reminder of a large issue that many HOA’s face: People abusing discrimination protection agencies by filing false disability discrimination claims over small board items (i.e., getting free legal help from these organizations) and the HOA’s legal team must then fight these baseless claims. If you don’t have a legitimate discrimination claim, please refrain from litigation and instead, request a meeting with the board. *Litigation costs all homeowners.*

- Fall 2025 Next board member election cycle. Homeowners in good standing (up to date with HOA fees) may run for the board. Elections info and voting ballots are mailed by our property manager (Jamar) with easy voting procedures for all homeowners: Homeowner ballots can be mailed, emailed, or delivered in person to the property management office. (No election voting will take place on Zoom meetings) Next election cycle: Fall 2025. Three board seats will be open for 3-year terms ~ 2 positions open for 2026-2028. We seek strong and creative leadership for these elections to help move us toward more sustainable, efficient, and productive procedures.

Financial/Treasurer Info

- Reserve/RSI study 2024 Updated Report on the Homeowner Google Drive

Standard Items:

- 2024 Fees on website: Units without a garage-\$385, units with 1 garage-\$400, units with two garages-\$415
 - **Current Financial Manager (FM) Procedures**
- FM sends financials via email (monthly) to all homeowners & puts on the Homeowner Google Drive in the “Financial Statements Public.” This includes a report of invoices/receipts and checks for the month.
- FM puts the signed contracts once a month in the “Contracts.” *HGD after a board member and the contractor sign them and email them to the FM/PM/Board*
- FM adds any insurance information for new contractors to the *Homeowner Google Drive*
- FM adds the public contact list once a quarterly in “Contact List” with a reminder from the Admin Assistant via the YMS and emails those lists the PM & Board
- Board members continue to add reports and studies to the homeowner Google drive as received (property manager, committee reports, meeting minutes and other)
Homeowners have access to documents within a reasonable amount of time.
- **HOA Board Approval:** HOA board business is approved by the board either by open board meeting, exec meeting when appropriate, action without a meeting over email or property manager allowed approval allocation (\$1,500 per month).
- **Payment Approval:** Invoices are approved by two board members via the HOA Request system on the website before a check(with a Board member signature stamp) or online payment is made.
- **Debit card purchases:** are approved by the board or property manager before use and have an invoice/receipt.

- **Monthly Financial Statement Review:** Each month the financial statements are reviewed by the admin assistant and board prior to being sent out. The financial committee then gives feedback on these statements.

Committees

- Purpose of committee creation: Committees are being created to encourage participation and to get all members involved in this community. Broad participation will help us get to know each other and will help this board provide the best services in addressing the needs of the WWBHOA as per policies and practices. The committee structure is designed to improve community and strengthen stakeholder relationships by engaging homeowners to ensure the work of the WWBHOA gets done on behalf of the homeowners. We want to encourage homeowners to contribute to their association.
